Efico Foundation project since 2004

COFFEE FOR PEOPLE, PEOPLE FOR COFFEE

As a family company, sustainability is in our coffee genes. In 2003, we launched the EFICO Foundation as a commitment of the EFICO Group to sustainable development and promote it among coffee roasters.

Established as a private foundation, the EFICO Foundation's goal is to positively impact coffee farmers' livelihoods, prosperity and environment. The multi-stakeholder approach adopted is unique and is a dynamic tool to foster partnerships and innovation in the coffee supply chain, multiplying impact.

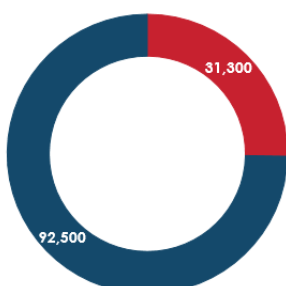

The EFICO Foundation is about people - from coffee farmers, their families and local communities to coffee consumers purchasing a sustainable product.

Together, we can make sure that sustainable purchases and investment in the local coffee communities can guarantee that generations to come can prosper from the coffee seedlings they plant today.

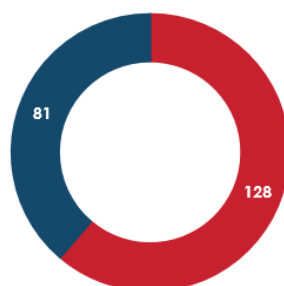

OUR IMPACT AFTER 15 YEARS

- **69** projects supported in **17** producing countries
- Over **2** million EUR invested
- **31,300** direct beneficiaries: coffee farmers, women, youngsters and children
- Indirectly generating a positive impact on the lives of over **92,500** coffee families (1 family = by average 4-6 members)
- **128** partners directly involved in the projects and additionally **81** indirect partnerships
- More than **60** coffee roasters partner with us to make a difference
- Lessons learned are shared with our partners, amongst whom Global Coffee Platform & Sustainable Coffee Challenge

NEXT STEPS

We continue **making a difference** by supporting multi-stakeholder projects in coffee producing countries with the aim to improve hereby the livelihoods of many. We also aim to continue being a catalyst, federating partnerships in the sector.

For **2018-2020** our **focus** areas are knowledge transfer, sustainable income increase for farmers, and adaptation and mitigation to climate change.

BECOME A PARTNER AND SUPPORT US TO MULTIPLY IMPACT

By becoming a partner, you positively contribute to the following United Nations Sustainable Development Goals, for which we launched our commitment towards 2030:

HOW?

- Sourcing coffee with EFICO and contributing **0.25 EUR/kg** to the EFICO Foundation
- Directly **transfer** to the EFICO Fund: www.eficofoundation.org/donate

YOUR GUARANTEES

- Supporting **high-quality** projects selected by an independent jury of **experts**
- **100%** of your contribution goes directly to the projects, full transparency, EFICO covers operational expenses, funds are managed independently by the King Baudouin Foundation
- Project progress is measured and results are reported transparently
